STUDIO DIRECTORS PLEASE POST!

December 26, 2019

Dear Students, Parents & Observers,

Thank you for attending our 2020 Hanover, NJ event hosted at the The Hanover Marriott! Your studio director/organizer has received all schedules and information concerning our event and can help you with questions about our program. If they are unsure of a question, they will contact us and speak to one of our event coordinators for the answer. Here are a few items that will help answer some general questions and make your weekend with us easy, entertaining and enjoyable.

Official programs for the event with competition times, names of performers etc. will be available for sale at our event throughout the weekend. The program includes the rules and regulations concerning our event and details our policy's regarding scoring, high score awards, scheduling, act changes and any other particulars. Our registration desk opens on Friday at 2:00pm and at 7:30am on Saturday and Sunday. Dressing room facilities will be available at those same times. All dressing rooms are to be shared by all performers unless otherwise posted by Access Broadway.

There is absolutely no recording devices allowed at anytime in the performance venues during our event. Anyone who violates these rules runs the risk of having their act(s) disqualified. Recording our event is exclusively licensed by the Access Broadway's in-house video department that videos all competition acts and will be available for purchase at our merchandise counter.

Access Broadway events are not open to the public and are only open to our registered attendees, studio directors/staff and friends and family thereof. There is no spectator fee to watch the competition. Guests are expected to enter and exit the performance area in between performances only. We frequently secure our event by screening attendees at random and verifying what organization they are affiliated with. If we find people in our designated areas that are not with our event, they will be escorted out of our areas. The safety and security of our performers and guests are of the highest priority at our events.

Access Broadway reserves designated rows of seats for Studio Directors only! Studio Directors and there staff are the only attendees permitted in these seats. Audience seating is on a first come first serve basis. You are prohibited to hold or place garments on rows of seats if your guests are not present. Once you are present and have established your seat, you may then place a holder on it to stretch your legs for rest room breaks, etc.

Our official vendor "AB Goods Inc." sells a full line of merchandise and clothing as well as videos & photos of our competition available on USB computer thumb drive. An order form is included with this schedule and will be available at our event. Please Note: We accept **"CASH ONLY"** at our events, please plan accordingly.
